

**Tennessee Department of Environment and Conservation  
Parks Marketing Manager – Communications and Content**

**Division of Marketing and Product Development, Parks and Conservation Bureau  
Annual Salary Range: \$39,996 – \$63,972**

**About the Tennessee Department of Environment and Conservation (TDEC)**

The department is responsible for:

- Safeguarding the health and safety of Tennessee citizens from environmental hazards;
- Protecting and improving the quality of Tennessee's land, air, and water
- Managing the system of 56 Tennessee State Parks and 85 Natural Areas

TDEC has 2,900 employees working across Tennessee supported by a total budget of more than \$300 million with funding from dedicated fees and state parks revenue, federal sources, and the state general fund. The department is the chief environmental and natural resource regulatory agency in Tennessee with delegated responsibility from the U.S. EPA to regulate sources of air pollution, radiological health issues, solid and hazardous waste, underground storage tanks, water pollution, water supply, and groundwater pollution. TDEC has eight (8) regional offices across the state serving as the primary point of contact for their respective regions.

**Summary & Distinguishing Features**
